ADMISSIONS POLICY

Trinity Christian High School maintains a pattern of open admission, whereby all qualified students are accepted regardless of race, color, sex or ethnic origin. Admission of a student to TCHS Prep implies:

- A willingness to accept the philosophy, goals, and regulations which the school establishes.
- A personal desire to attend TCHS Prep
- A willingness to exhibit in one's personal actions and behavior the characteristics of a Christian individual.
- A family's willingness to support the efforts of the school by parental cooperation and involvement in academic, extracurricular, and school related activities
- A family's willingness to fulfill the financial obligations incurred in the student's education

Admission Requirements

In order to be considered for admission to Trinity Christian High School, the following steps must be completed.

1. Application. All students and their parents must complete the online application form and pay the application fee. Forms and instructions can be found on the "Admissions" tab at www.trinityhigh.org.
2. Letters of Recommendation. Recommendation forms can be downloaded from our website. We require one form to be completed by a current teacher.
3. Report card or transcripts. We require a copy of the student's most recent report card and/or a copy of the student's transcripts.
4. Immunizations. Once a student has been admitted to TCHS, an official immunization record is required to begin school (including evidence of the Tdap shot).

Admission Criteria

We look for students who will be successful in the Trinity Christian High School Prep Program –students who want to be here and parents who desire this type of education for their child. We seek first to be a Christian school, and teach every subject from a Biblical world-view perspective. All staff are professing Christians, and while it is not required for a student to be a Christian to be accepted to the TCHS Prep Program, it is required that the student and parents be open to hearing the gospel message. We seek students who are able to participate in our high school-preparatory classes to the fullest and are willing to do the work necessary to earn a grade of C or better in each course.

All applications that are received completed by February 1st are eligible for the first tier of acceptances. An announcement of class size will be made at that time and acceptance and the wait list will be determined based on factors relating to the student's ability to be successful:

Additionally - areas of preference may be:

- a) Children of staff or faculty
- b) Siblings of current students
- c) Siblings of alumni
- d) Previous Christian school experience
